

FOIA Request for Public Records

Michigan Freedom of Information Act, Public Act 442 of 1976, MCL 15.231, *et seq.*

From: Frank E. Benn
Address: 6445 W. Airline Road, Weidman, MI
Date: 1/5/2016
Email: 11-17@nsfd.net

To: Isabella County Administration Office
200 N. Main St., Room #205
Mt. Pleasant, MI 48858

This request will be tendered via email and USPS Certified Mail. The latter will be a signed copy. This dual delivery, undertaken on advice from my attorney to ensure a timely delivery and evidence of receipt, should not be construed as a dual request for the same information.

Please provide copies of the following ASAP and an itemized statement of fees assessed for providing the requested information:

All records associated with the **procurement and installation of equipment** for the digital radio system now used by Isabella County for fire service communications including, but not limited to, letters, memos, emails, bidding announcements, bids received, bills of sale, records of equipment costs, records of expenditures for labor, records of expenditures for service, minutes, and notes taken by county officials or employees or the radio service.

All records associated with **radio signal propagation studies** performed prior to the conversion from analog to digital radio communications to be used by fire services within Isabella County including, but not limited to, results from field testing, results from computer simulations, and results from any other forms of analysis used to measure the impact of western Isabella County topography on the efficacy of the proposed digital communications system.

Please email me, ASAP, the estimate of, or an itemized statement actual fees, that will be assessed for providing the requested information so I can have a check issued without delay. Please provide the name and address of the payee for the check in the email.

Upon receipt of the email copy of this request, please acknowledge via the email address provided above.
